3D Automotive, Inc.

Locally [owned and operated](#) since January 2003, 3D Automotive, Inc. takes pride in providing our customers with excellent service at an affordable price. By treating each individual client as a person rather than a number only justifies our motto of "quality work at a fair price."

A conventional auto repair shop will charge thousands of dollars for [repairing](#) a vehicle, but at 3D Automotive, Inc., clients in [Central Ohio](#) have received the best care and repair for their vehicles for far less than other auto repair shops. We pride ourselves on maintaining the latest up-to-date equipment and the most [highly trained and qualified staff](#).

Whether you want to economically restore your vehicle to new or you simply have a [lube, oil and filter](#) change, we do the perfect repair and have the most competitive pricing options for you.

Hours of Operation

Monday - Friday
7:30 a.m. - 5:30 p.m.
Saturday - Sunday
Closed

3D Automotive, Inc. - 4156 Radnor Rd. - Radnor, Ohio - 43066 - (740)595-3030
